

If you purchased, paid for, and/or provided reimbursement for some or all of the price of one or more of the Prescription Generic Drugs listed in Appendix A to this Notice at any time from May 1, 2009 until December 31, 2019, you could get a payment from a class action settlement.

A federal court authorized this Notice. This is not a solicitation from a lawyer.

PLEASE READ THIS ENTIRE NOTICE CAREFULLY. YOUR RIGHTS MAY BE AFFECTED BY THE PROCEEDINGS IN THIS ACTION WHETHER YOU ACT OR DO NOT ACT. THIS NOTICE ADVISES YOU OF YOUR RIGHTS AND OPTIONS WITH RESPECT TO THIS LITIGATION.

This is to provide notice of the preliminary approval of a new proposed Settlement with Defendants Sun Pharmaceutical Industries, Inc. (“Sun”) and Taro Pharmaceuticals U.S.A., Inc. (“Taro”) (“Sun/Taro” refers to both entities) in a Lawsuit brought by Consumers and Third-Party Payers (“TPPs”) who were End-Payers (“End-Payer Plaintiffs” or “EPPs”) of the generic drugs listed in Appendix A at the end of this Notice (the “Named Generic Drugs”). The Lawsuit is a group of class actions coordinated under the civil docket *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724 in the United States District Court for the Eastern District of Pennsylvania. The Lawsuit claims that generic drug manufacturers, including Sun/Taro, violated federal and state antitrust laws, consumer protection statutes, and common law, harming competition and causing End-Payers to overpay for the Named Generic Drugs. Sun/Taro denies liability. The Court has not decided who is right. No trial has been held.

You may have seen previous notices about other settlements between EPPs and other settling defendants in this litigation. This Notice is about the new Settlement with Sun/Taro (the “Settlement”).

The proposed Settlement does not resolve any of the claims of the Settlement Class against the remaining Defendants, and the Lawsuit against those Non-Settling Defendants is ongoing.

- The Court has preliminarily certified an EPP Sun/Taro Settlement Class for settlement purposes only. The EPP Sun/Taro Settlement Class is defined as:

All persons and entities in each of the 50 United States (except Indiana and Ohio), as well as the District of Columbia, Puerto Rico and the U.S. Virgin Islands, that indirectly purchased, paid and/or provided reimbursement for some or all of the purchase price for any Named Generic Drugs, other than for resale, from May 1, 2009 to December 31, 2019.

Excluded from the EPP Sun/Taro Settlement Class are (a) Defendants, their officers, directors, management, employees, subsidiaries and affiliates; (b) all federal governmental entities; (c) all state governmental entities (except for cities, towns, municipalities, counties and other local governmental entities with self-funded prescription drug plans, all of which are included in the class); (d) all governmental Medicaid agencies, private Medicaid managed care organizations, and consumers who were covered by Medicaid for their purchases of Named Generic Drugs; and (e) Judges assigned to this case and any members of their immediate families. For the avoidance of doubt, the class does not include (i) persons or entities who only purchased Named Generic Drugs for purposes of resale or directly from Defendants; (ii) fully insured employers to the extent that they use fully-insured plans (*i.e.*, employers that purchased insurance covering 100% of their reimbursement obligation to members); and (iii) pharmacy benefit managers.

Where a putative class member has purchases that meet the definition of the Settlement Class, but also has purchases that fall within one or more of the exclusions above, that putative class member is included in the Settlement Class only with respect to those purchases that meet the definition of the Settlement Class.

- The proposed Settlement provides that Sun/Taro will pay \$200,000,000 for the benefit of Consumers and TPPs. The Sun/Taro settlement fund may be reduced under certain circumstances as explained in the Settlement Agreement. As discussed below, the costs of administering the fund and providing notice of the Settlement may be deducted from the fund; and attorneys' fees, expenses, and service awards may be deducted from the fund with Court approval.
- Money will be distributed if and after the Court approves the Settlement, likely in conjunction with the proceeds of other settlements, upon Court Order and pursuant to a Court-approved plan for allocating the Sun/Taro settlement fund to EPP Sun/Taro Settlement Class Members (the "Plan of Allocation"). The proposed Plan of Allocation is posted on the website **www.GenericDrugsEndPayerSettlement.com** (the "EPP Settlement Website" or "Settlement Website").
- The Court has scheduled a hearing (the "Final Fairness Hearing") to decide whether to approve the Settlement, the Plan of Allocation, and any requests by EPPs' attorneys for reimbursement of expenses out of the Sun/Taro settlement fund. The Final Fairness Hearing is scheduled for **January 15, 2026 at 11:00 a.m.** before Judge Cynthia M. Rufe at the United States District Court for the Eastern District of Pennsylvania, Courtroom 12-A, 601 Market Street, Philadelphia, PA 19106.
- You do not need to attend the hearing. If you wish to appear at the hearing, you must file a "Notice of Intention to Appear" with the Court and you may (but are not required to) hire your own attorney to appear in court for you at your own expense. Your notice must be received by **December 2, 2025**.

- The deadlines in this Notice, and the date and time of the hearing, may be amended by Court Order. Check the Settlement Website for updates. You may also register on the Settlement Website to receive updates by mail or email.

Requests for exclusion must be <u>emailed or postmarked</u> by December 2, 2025.

BASIC INFORMATION

1. WHY DID I RECEIVE NOTICE?

A federal court authorized this Notice because you have a right to know about a new proposed Settlement, your rights, and your options before the Court decides whether to approve the Settlement.

You received this Notice because you may have purchased, paid for, and/or provided reimbursement for some or all of the purchase price of one or more Named Generic Drugs at some time from May 1, 2009 until December 31, 2019, and therefore you may be a member of the EPP Sun/Taro Settlement Class, which has been preliminarily certified by the Court. The EPP Sun/Taro Settlement Class consists of Consumers (*i.e.*, persons who purchased one or more of the Named Generic Drugs in a pharmacy or by mail-order prescription) and Third-Party Payers (*i.e.*, entities that paid for and/or reimbursed for some or all of the purchase price of one or more of the Named Generic Drugs for use by their members, employees, insureds, participants, or beneficiaries). *See* Question 6 for the full class definition and details on who is excluded from the class. You may have received this Notice in error so you should confirm from your own records that you paid for one or more Named Generic Drugs at some time from May 1, 2009 to December 31, 2019 and fall within the EPP Sun/Taro Settlement Class definition.

You may have seen previous notices about other settlements between EPPs and other settling defendants in this litigation. This Notice is about the new Settlement with Sun/Taro (the "Settlement"). If the Court approves it, the Settlement will resolve the claims against Sun/Taro.

This Notice is only a summary of the Settlement Agreement and your rights. Your legal rights are affected whether you act or not. You are encouraged to carefully review the complete Settlement Agreement, which is posted on the Settlement Website.

2. WHAT IS THIS LAWSUIT ABOUT?

The Lawsuit is a group of proposed class actions coordinated under the docket *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724. EPPs' class action complaints are available on the Settlement Website. Judge Cynthia M. Rufe, of the United States District Court for the Eastern District of Pennsylvania (the "Court"), is overseeing the Lawsuit and the Settlement.

The EPPs allege that Defendants engaged in an unlawful scheme or schemes to fix, maintain and stabilize prices, rig bids, and engage in market and customer allocation of the Named Generic Drugs in violation of federal and state antitrust laws, consumer protection statutes, and common law. EPPs allege that Defendants' conduct harmed competition and caused Consumers and TPPs to overpay for the Named Generic Drugs.

All Defendants, including Sun/Taro, deny that any Consumers or TPPs are entitled to damages or other relief. All Defendants, including Sun/Taro, deny liability as to EPPs' claims. The Settlement between EPPs and Sun/Taro is not an admission of wrongdoing by any Defendant, including Sun/Taro.

Following investigation of relevant facts, substantial fact discovery, and arm's length negotiations with Sun/Taro, EPPs, on behalf of the EPP Sun/Taro Settlement Class, entered into the Settlement with Sun/Taro.

There has been no determination by the Court or a jury that the allegations against Sun/Taro or the other Defendants have been proven or that, if proven, the conduct caused harm to any EPP Sun/Taro Settlement Class Member. No trial has been held.

3. WHAT IS A CLASS ACTION?

In a class action, one or more people called "Class Representatives" sue on behalf of others who have similar claims.

The EPP Sun/Taro Settlement Class Representatives are 1199SEIU Greater New York Benefit Fund; 1199SEIU Licensed Practical Nurses Welfare Fund; 1199SEIU National Benefit Fund; 1199SEIU National Benefit Fund for Home Care Workers; American Federation of State, County and Municipal Employees District Council 37 Health & Security Plan; American Federation of State, County and Municipal Employees District Council 47 Health & Welfare Fund; City of Providence, Rhode Island; Detectives Endowment Association of the City of New York; Hennepin County; Louisiana Health Service & Indemnity Company d/b/a Blue Cross and Blue Shield of Louisiana; Philadelphia Federation of Teachers Health and Welfare Fund; Self-Insured Schools of California; Sergeants Benevolent Association of the Police Department of the City of New York Health and Welfare Fund; UFCW Local 1500 Welfare Fund; Uniformed Fire Officers Association Family Production Plan Local 854; and United Food & Commercial Workers and Employers Arizona Health & Welfare Trust; Ottis McCrary; Valerie Velardi; and Robby Johnson.

The EPPs and those on whose behalf they have sued together constitute the "Settlement Class" or "Settlement Class Members." Their attorneys are called "Settlement Class Counsel."

In a class action lawsuit, one court resolves the issues for all Class Members, except for those who exclude themselves (*i.e.*, "opt out") from the Class. The Court, by Order dated September 23, 2025, has preliminarily determined that the lawsuit between EPPs and Sun/Taro can proceed as a class action for purposes of determining whether to approve the Settlement. A copy of the Court's Order may be found on the Settlement Website.

Specifically, the Court has found that, for the purposes of this Settlement:

- The number of EPP Sun/Taro Settlement Class Members is so numerous that joining them all into one suit is impracticable;
- Members of the EPP Sun/Taro Settlement Class share common legal or factual issues relating to the claims in this case;

- The claims of EPPs are typical of the claims of EPP Sun/Taro Settlement Class Members;
- EPPs and Settlement Class Counsel are capable of fairly and adequately protecting the interests of the EPP Sun/Taro Settlement Class; and
- Common legal questions and facts predominate over questions affecting only individual members of the EPP Sun/Taro Settlement Class, and certification of the EPP Sun/Taro Settlement Class is superior to other available methods for the fair and efficient resolution of the claims of the Settlement Class Members.

5. WHY IS THERE A SETTLEMENT?

EPPs and Sun/Taro have agreed to a Settlement. The Court has not decided in favor of EPPs or Sun/Taro. By agreeing to this Settlement, the parties avoid the costs and uncertainty of additional discovery, motion practice, and an eventual trial, and if the Settlement is approved by the Court, EPP Sun/Taro Settlement Class Members will be eligible to receive a payment from the Settlement. The proposed Settlement does not mean that any law was broken or that Sun/Taro did anything wrong. EPPs and Settlement Class Counsel believe that the proposed Settlement is fair, reasonable, adequate, and in the best interests of the EPP Sun/Taro Settlement Class.

WHO IS IN THE SETTLEMENT CLASS AND SETTLEMENT

6. AM I PART OF THE SETTLEMENT CLASS AND THE SETTLEMENT?

For settlement purposes only, the Court preliminarily certified the EPP Sun/Taro Settlement Class on September 23, 2025.

You may be an EPP Sun/Taro Settlement Class Member if:

You are in any of the 50 United States (except Indiana and Ohio), as well as the District of Columbia, Puerto Rico, and the U.S. Virgin Islands, and indirectly purchased, paid, and/or provided reimbursement for some or all of the purchase price for any Named Generic Drugs, other than for resale, from May 1, 2009 to December 31, 2019.

You are ***NOT*** a member of the EPP Sun/Taro Settlement Class if you are among any of the following:

- a) Defendants, their officers, directors, management, employees, subsidiaries, and affiliates;
- b) all federal governmental entities;
- c) all state governmental entities (except for cities, towns, municipalities, counties, and other local governmental entities with self-funded prescription drug plans, all of which are included in the class);
- d) all governmental Medicaid agencies, private Medicaid managed care organizations, and consumers who were covered by Medicaid for their purchases of Named Generic Drugs;
- e) Judges assigned to this case and any members of their immediate families;
- f) persons or entities who only purchased Defendants' Named Generic Drugs for purposes of resale or directly from Defendants;
- g) fully insured employers to the extent that they use fully-insured plans (*i.e.*, employers that purchased insurance covering 100% of their reimbursement obligation to members);
or
- h) pharmacy benefit managers.

If you made purchases that meet the definition of the EPP Sun/Taro Settlement Class, but also made purchases that fall within one or more of the exclusions above, you are included in the EPP Sun/Taro Settlement Class only with respect to those purchases that meet the definition of the EPP Sun/Taro Settlement Class.

The Named Generic Drugs are listed at the end of this Notice in Appendix A.

If you are not sure whether you are included in the Settlement Class, you may call 1-877-316-0171, review the materials and information posted on the Settlement Website, or contact the attorney or law firm identified in Question 19 below. If you wish to exclude yourself from the Settlement Class, please refer to Question 7.

7. CAN I REQUEST TO BE EXCLUDED FROM THIS SETTLEMENT CLASS?

Yes, the Court has set **December 2, 2025**, as the deadline for requests for exclusion. To exclude yourself, you must send a letter via email to info@GenericDrugsEndPayerSettlement.com or via First-Class U.S. Mail to:

For each entity, such declaration shall include the name of the entity to be excluded and the contractual language on which the right to assert exclusion is based.

ANY SETTLEMENT CLASS MEMBER INCLUDED IN THE EPP SUN/TARO SETTLEMENT CLASS THAT DOES NOT SUBMIT A VALID REQUEST FOR EXCLUSION PROVIDING ALL NECESSARY INFORMATION WILL REMAIN A MEMBER OF THE EPP SUN/TARO SETTLEMENT CLASS.

Your letter requesting exclusion must be EMAILED or POSTMARKED no later than December 2, 2025.

8. WHAT IS THE LEGAL SIGNIFICANCE OF EXCLUDING MYSELF?

If you exclude yourself from the EPP Sun/Taro Settlement Class, you cannot object to any of the terms of the related Settlement Agreement. You also will not be legally bound by anything that happens in the lawsuit between EPPs and Sun/Taro. This means that you may be able to sue (or continue to sue) Sun/Taro in the future about the legal issues in this case. If you intend to exclude yourself from the EPP Sun/Taro Settlement Class so that you can start or continue your own lawsuit against Sun/Taro, you should talk to your own lawyer before doing so, because your claims are subject to a statute of limitations, which means that your claims will expire at a certain time (or may already have expired).

9. IF I DON'T EXCLUDE MYSELF, CAN I SUE SUN/TARO LATER?

No. If you do not exclude yourself from the EPP Sun/Taro Settlement Class, and you have a valid claim, you can share in the Settlement, but you will not be able to start a lawsuit, continue a lawsuit, or be part of any other lawsuit against Sun/Taro arising from the claims released as part of this Settlement, including claims brought in the case by EPPs against Sun/Taro. (*See* Question 14 for more information on the released claims.) All of the Court's Orders in the case

between EPPs and Sun/Taro will apply to you and legally bind you. If the Court grants final approval to the proposed Settlement and enters final judgment in the case between EPPs and Sun/Taro, you will also be bound by the Settlement between EPPs and Sun/Taro.

10. IF I EXCLUDED MYSELF FROM OTHER EPP SETTLEMENT CLASSES OR FROM THE CLOBETASOL OR CLOMIPRAMINE LITIGATION CLASSES, DO I NEED TO EXCLUDE MYSELF AGAIN?

Yes. If you do not want to be part of this Settlement with Sun/Taro, you need to exclude yourself from the EPP Sun/Taro Settlement Class following the procedure set forth in Question 7 above, even if you have excluded yourself from other EPP settlement or litigation classes.

11. CAN I STILL EXCLUDE MYSELF FROM EARLIER SETTLEMENT AND LITIGATION CLASSES?

No. The deadlines to exclude yourself from earlier settlement classes (*i.e.*, the EPP Sandoz Settlement Class, the EPP Heritage Settlement Class, or the EPP Apotex Settlement Class) and the Clobetasol and Clomipramine litigation classes has passed. For more information regarding those classes, visit www.GenericDrugsEndPayerSettlement.com.

12. WHAT HAPPENS IF I DO NOTHING?

If you are an EPP Sun/Taro Settlement Class Member and you do nothing, you will remain in the EPP Sun/Taro Settlement Class and be eligible to participate in the Settlement as described in this Notice, if the Settlement is approved. When the time comes for distribution of the Sun/Taro settlement fund, you will need to complete, sign, and return a Settlement claim form.

You will also be legally bound by the Court's orders, good or bad. You will give up your right to sue Sun/Taro on your own for the legal claims made in this lawsuit.

To receive updates on, *e.g.*, whether the Settlement has been approved by the Court, and whether a claim form is available and the deadline for submitting it, you should complete the online registration form on the Settlement Website. When a claim form becomes available, you will be able to obtain it from the Settlement Website or by calling 1-877-316-0171.

THE SETTLEMENT'S BENEFITS

13. WHAT DOES THE SETTLEMENT PROVIDE?

Pursuant to the terms of the Settlement, Sun/Taro has paid \$200,000,000.00 into an interest-bearing escrow account for the benefit of EPP Sun/Taro Settlement Class Members. The Settlement amount may be reduced by a maximum of \$10,000,000.00 under certain circumstances as explained in the Settlement Agreement. Additionally, the following will be deducted from the Sun/Taro settlement fund: the costs of settlement notice and administration (up to \$750,000.00), and, if approved by the Court, attorneys' fees (up to one-third of the Sun/Taro settlement fund plus interest), unreimbursed litigation expenses, plus an additional amount for future expenses in further litigation against the remaining Defendants (up to \$4,000,000 for past and future expenses), and service awards to the EPP Sun/Taro Settlement Class Representatives (up to \$500,000.00 altogether). The Sun/Taro settlement fund shall be held in escrow pending final approval of the Settlement. Sun/Taro has also agreed to cooperate with EPPs in providing information related to EPPs' litigation against the Non-Settling Defendants.

The Settlement Agreement may be terminated if the Court does not approve it. If the Settlement Agreement is terminated, the Lawsuit will proceed against Sun/Taro as if the Settlement had not been reached.

The complete Settlement Agreement is available on the Settlement Website. This Notice is not meant to, and does not, alter the terms of the Settlement Agreement.

14. WHAT CLAIMS AM I SETTLING?

If the Settlement becomes final, the litigation between EPPs and Sun/Taro will be dismissed with prejudice, and the EPP Sun/Taro Settlement Class Members will be releasing Sun/Taro from all claims identified in the Settlement Agreement. Those claims include all claims that have been brought or could have been brought concerning the subject matter of or conduct alleged in EPPs' class action complaints, copies of which are available on the Settlement Website.

The Settlement Agreement specifically describes the released claims, in accurate legal terminology, so read them carefully. For the details of the releases, *see* paragraphs I.B., I.G., I.H., I.Q., I.R., and VI. of the Settlement Agreement, which is available on the Settlement Website.

This release may affect your ability to recover against Sun/Taro in certain cases brought by the Attorneys General of some States. *See* www.AGGenericDrugs.com for more information regarding those claims.

Non-Settling Defendants are **not** part of the proposed Settlement. EPPs' Lawsuit against the Non-Settling Defendants is continuing.

15. HOW CAN I GET A PAYMENT FROM THE SETTLEMENT?

The claims process is not open at this time. At a later date, if the Court grants final approval to the Settlement and the proposed Plan of Allocation (*see* "The Court's Fairness Hearing" below) and any resulting appeals are resolved, Settlement Class Counsel will ask the Court for permission to distribute the Sun/Taro settlement fund pursuant to the Plan of Allocation.

If you do not exclude yourself from the EPP Sun/Taro Settlement Class, you will need to submit a claim form to request your share of the Sun/Taro settlement fund at that time. To receive updates on when a claim form is available, as well as other updates related to the Settlement, you should complete the online registration form on the Settlement Website. Once a claim form is available, you will be able to obtain it from the Settlement Website or by calling 1-877-316-0171.

16. HOW MUCH WILL MY PAYMENT BE?

If the Settlement is approved by the Court, the Sun/Taro settlement fund, minus the costs of settlement notice and administration, and minus any court-awarded attorneys' fees, litigation expenses, and service awards, will be distributed to EPP Sun/Taro Settlement Class Members pursuant to a Plan of Allocation that must be approved by the Court.

You will not be responsible for calculating the amount you may be entitled to receive. The Plan of Allocation provides that you will be paid on a *pro rata* basis in proportion to the amount of money you spent on the Named Generic Drugs from May 1, 2009 through December 31, 2019. In general, those who spent more money on the Named Generic Drugs will get a higher recovery than those who spent less. If less than 100% of the EPP Sun/Taro Settlement Class Members

send in claim forms, you could get a larger *pro rata* share. Any accrued interest on the Sun/Taro settlement fund will be included, *pro rata*, in the amounts paid to EPP Sun/Taro Settlement Class Members. Additional details of how your recovery will be calculated can be found in the proposed Plan of Allocation, which is available on the Settlement Website.

If you exclude yourself from the EPP Sun/Taro Settlement Class, you will not receive a share of the Settlement.

17. WHEN WOULD I GET MY PAYMENT?

Settlement Class Counsel will ask the Court for permission to distribute the Sun/Taro settlement fund at a later point in time, and once the Court grants permission, the claims process will commence. The timing of Settlement Class Counsel's request to the Court for permission to distribute the Sun/Taro settlement fund depends on several factors, including whether and when the Court grants final approval of the Settlement and the proposed Plan of Allocation, whether appeals are taken and how long they take, and the timing of the approval of other settlements in the litigation. In the meantime, EPPs will continue to pursue litigation against the Non-Settling Defendants.

18. CAN I GET A PAYMENT FROM THIS SETTLEMENT IF I HAVE EXCLUDED MYSELF FROM OTHER EPP SETTLEMENT CLASSES OR IF I HAVE EXCLUDED MYSELF FROM THE CLOBETASOL OR CLOMIPRAMINE LITIGATION CLASSES?

Yes. If you excluded yourself from the Sandoz Settlement Class, the Heritage Settlement Class, the Apotex Settlement Class, the Clomipramine litigation class, or the Clobetasol litigation class (and you do not exclude yourself from the EPP Sun/Taro Settlement Class), you will still be eligible to request your share of the Sun/Taro settlement fund by submitting a claim form when the claims process is open. You will also be releasing Sun/Taro from all claims identified in the Settlement Agreement. For more information on the claims that you will be releasing, *see* Question 14 above.

THE LAWYERS REPRESENTING THE SETTLEMENT CLASS

19. DO I HAVE A LAWYER IN THIS CASE?

The Court appointed Roberta D. Liebenberg and the law firm of Fine, Kaplan and Black, R.P.C., One South Broad Street, 23rd Floor, Philadelphia, PA 19107 as lead counsel for the EPP Sun/Taro Settlement Class. You will not be charged for these lawyers. If you want to be represented by another lawyer, you may hire one at your own expense.

20. HOW WILL THE LAWYERS BE PAID?

The Settlement allows for the costs of settlement notice and administration to be deducted from the Sun/Taro settlement fund without prior Court approval in an amount not to exceed \$750,000. In addition, the Settlement allows Settlement Class Counsel to ask the Court for the following payments out of the Sun/Taro settlement fund: (i) an award of attorneys' fees, not to exceed one-third of the Sun/Taro settlement fund (including interest accrued thereon); (ii) reimbursement of litigation expenses; and (iii) service awards to EPP Sun/Taro Settlement Class Representatives.

Settlement Class Counsel intend to move for an award of attorneys' fees not to exceed one-third of the Sun/Taro settlement fund (including accrued interest); reimbursement of litigation expenses, plus an additional amount for future expenses in further litigation against the

remaining Defendants (up to \$4,000,000 for past and future expenses); and service awards of up to \$500,000 in total to be paid to Settlement Class Representatives who worked on behalf of the entire EPP Sun/Taro Settlement Class to achieve the results of the Settlement. Settlement Class Counsel will file their motion and post it on the Settlement Website, no later than November 2, 2025. A copy of the motion will also be available for viewing at the office of the Clerk of the United States District Court for the Eastern District of Pennsylvania, 601 Market Street, Philadelphia, PA 19106-1797, during normal business hours.

Any payment to the attorneys will be subject to Court approval, and the Court may award less than the requested amount. If the Court grants Settlement Class Counsel's requests, the awarded amounts will be deducted from the settlement fund.

OBJECTING TO THE SETTLEMENT

21. IF I DON'T LIKE THE SETTLEMENT, HOW DO I TELL THE COURT?

If you are an EPP Sun/Taro Settlement Class Member and have not requested to exclude yourself from the EPP Sun/Taro Settlement Class, you can object to all or any part of the proposed Settlement, the Plan of Allocation, or the request for attorneys' fees, litigation expenses, and service awards. You can give reasons why you think the Court should not approve. The Court will consider your views.

To object to the Settlement, you must file your objection with the Court by sending a letter via First-Class U.S. Mail to the Clerk of Court (mailing address below) with copies to the individuals and addresses listed below. (If an attorney is filing an objection on your behalf, your attorney must comply with the Court's Local Rules, including those that mandate document filings via ECF.)

The objection letter must contain:

- For Consumers: your name, postal address, email address (if available), and phone number;
- For TPPs: your entity name, postal address, email address, and phone number; and the name, title, and signature of your representative submitting the objection;
- The case name and number: *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724 (E.D. Pa.);
- The name, postal address, email address, and phone number of your attorney, if you have one;
- A statement on whether you are objecting to the EPP Sun/Taro Settlement, the proposed Plan of Allocation, and/or the request for attorneys' fees, expenses, and service awards;
- The specific reasons why you object;
- Documentation demonstrating that you are a member of the EPP Sun/Taro Settlement Class and/or this statement, followed by your signature (if you are a Consumer) or your representative's signature (if you are a TPP): "I declare under penalty of perjury under the laws of the United States of America that [insert your name] is a member of the EPP Sun/Taro Settlement Class."; and
- Any supporting materials, papers, or briefs that you want the Court to consider.

Your objection must be filed with the Court so that it is received by the Court on or before December 2, 2025.

CLERK OF COURT FOR THE U.S. DIST. CT. FOR THE EASTERN DIST. OF PA	SETTLEMENT CLASS COUNSEL	SETTLING DEFENDANTS' COUNSEL
Clerk of Court, E.D. Pa. 601 Market St. Philadelphia, PA 19106	Roberta D. Liebenberg Jeffrey S. Istvan Fine, Kaplan and Black, R.P.C. One South Broad St., 23 rd Floor Philadelphia, PA 19107	John M. Taladay Edward Duffy Christopher Wilson Baker Botts LLP 700 K Street NW Washington, DC 20001

22. CAN I OBJECT TO EARLIER SETTLEMENTS WITH OTHER DEFENDANTS?

No. The deadlines for objecting to the Sandoz Settlement, the Heritage Settlement, and the Apotex Settlement have passed. For more information regarding those settlements, visit www.GenericDrugsEndPayerSettlement.com.

23. WHAT IS THE DIFFERENCE BETWEEN EXCLUDING MYSELF AND OBJECTING?

Objecting is telling the Court that you do not like something about the EPP Sun/Taro Settlement. You can object only if you did not exclude yourself from the EPP Sun/Taro Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the EPP Sun/Taro Settlement Class or the EPP Sun/Taro Settlement.

THE COURT'S FAIRNESS HEARING

The Court will hold a Final Fairness Hearing to decide whether to grant final approval to the Settlement, Plan of Allocation, and request for attorneys' fees, reimbursement of litigation expenses, and service awards. You may attend and, if you have not excluded yourself from the EPP Sun/Taro Settlement Class, you may ask to speak, but you do not have to.

24. WHEN WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT?

The Court has scheduled the Final Fairness Hearing for **January 15, 2026 at 11:00 a.m.**, at the United States District Court for the Eastern District of Pennsylvania, Courtroom 12-A, 601 Market Street, Philadelphia, PA 19106.

The time and date of the Final Fairness Hearing may change without additional mailed or emailed notice. For updated information on the hearing, you may check the Settlement Website, or the Court docket in this case, for a fee, through the Court's Public Access to Court Electronic Records (PACER) system at <https://pcl.uscourts.gov>.

At the Final Fairness Hearing, the Court will consider whether the Settlement and the Plan of Allocation are fair, reasonable, and adequate. The Court may also consider the requests by Settlement Class Counsel for attorneys' fees, reimbursement of expenses, and service awards. If there are objections, the Court will consider them. After the hearing, the Court will decide

whether to give final approval to the Settlement and the other requests. It is unknown how long these decisions, or decisions on any appeals of them, will take.

Any judgment issued by the Court will be binding on the EPP Sun/Taro Settlement Class. The Settlement, if approved by the Court and once appeals, if any, are resolved, will release all claims in the putative class actions against Sun/Taro. For more information on the claims that will be released, *see* Question 14 above.

25. DO I HAVE TO ATTEND THE HEARING?

No. Settlement Class Counsel will answer any questions the Court may have. However, you are welcome to attend the hearing at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you filed your written objection on time, to the proper addresses, and it complies with the other requirements provided above, the Court will consider it. You also may pay your own lawyer to attend the hearing, but this is not necessary.

Attendance is not necessary to receive your share of the Sun/Taro settlement fund.

26. MAY I SPEAK AT THE HEARING?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must file your notice by sending a letter via First-Class U.S. Mail titled “Notice of Intention to Appear in *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, No. 2:16-MD-02724 (E.D. Pa.)” to the Clerk of Court, with copies to the individuals and addresses listed in Question 21 above. (If an attorney is filing the notice on your behalf, your attorney must comply with the Court’s Local Rules, including those that mandate document filings via ECF.)

Be sure to include your name, address, email address, telephone number, and signature, and state that you intend to appear at the Fairness Hearing on the EPP Sun/Taro Settlement. If applicable, include the name, address, email address, and telephone number of your attorney (who must file a Notice of Appearance). Your Notice of Intention to Appear must be filed with the Court so that it is **received** by the Court no later than **December 2, 2025**.

You may not speak at the hearing if you excluded yourself as an EPP Sun/Taro Settlement Class Member or do not send a Notice of Intention to Appear.

GETTING MORE INFORMATION

27. HOW DO I GET MORE INFORMATION?

If you have questions about the Settlement or want additional information, you should first review the information posted on the Settlement Website. If you still have questions, you may call the Notice Administrator at 1-877-316-0171 or contact the attorney or law firm identified in Question 19. This Notice is only a summary of the proposed Settlement and is qualified in its entirety by the terms of the Settlement Agreement. A copy of the Settlement Agreement is on public file with the United States District Court for the Eastern District of Pennsylvania, 601 Market Street, Philadelphia, PA 19106. The Settlement Agreement is also available on the Settlement Website.

PLEASE DO NOT TELEPHONE THE COURT OR THE COURT CLERK’S OFFICE TO INQUIRE ABOUT THE SETTLEMENT OR THE CLAIMS PROCESS.
